About Qatar National Library

Qatar National Library (QNL) is a non-profit organisation established under the umbrella of Qatar Foundation for Education, Science, and Community Development.
The QNL building was designed to encourage library visitors to explore the progression of knowledge from the past to the present.
1. **Human Development**: QNL supports education on all levels through providing free access to the world’s knowledge and train Qataris with information literacy to better manage the multiple challenges of globalization and realize their potential in an information society.

2. **Social development**: QNL will help to preserve the country’s national heritage and work closely with families, to foster heritage knowledge. QNL will provide special reading and learning opportunities to empower Qatari women.

3. **Economic development**: QNL provides access to international databases of information and knowledge to ensure the competitiveness in the local and global business environment and support the development of a diverse knowledge economy.

4. **Environmental development**: QNL will support distribution of environmental knowledge through activities for young and old, and provide information about international research and development.
